Doug Boman Benefit	\$784.00
St Johns Baby Pantry	\$815.50
TOTAL DONATIONS	\$7770.71

During the winter of 2001, people found a unique way to have fun and raise money for charity at the same time. Lawn Mower Racing was born in Maple Rapids. From 2001-2004 over \$15,000.00 was raised for the American Diabetes Association. In 2005, the group has chosen to donate to a variety of charities, many of which are in our own backyard.

For 2005 a group of racers and their families chose to form the Maple Rapids “Grass Kickers” to continue this fine tradition. We have donated a total of \$35,116.21 between 2005 and 2009 to various local charities.

As in any racing venture, sponsorship and advertising are key to promotion and growth. Each of the racers enhance both the looks and performance of their mowers with sponsorship. The sponsors get their services announced during the events and driver introductions. Since 2005, at the request of many of our sponsors, we have decided to sell advertising space in the form of signs placed at the track. Steve Fisher of Backyard Signs in Middleton will do the signs in a professional manner.

We are offering two sizes of signs:

4' x 8' – New \$250 – Renewal \$125 (per season)

4' x 4' – New \$150 – Renewal \$75 (per season)

These prices are all inclusive and done to match your business cards or design and colors you provide. Signs will be taken down at the end of the racing season to avoid damage.

We would also like to offer the opportunity to sponsor individual races on a first come first serve basis.

** \$25.00 for a heat race

** \$50.00 for a feature race

Your name will be announced a minimum of twice for heat race and four times for Feature (main) events

Please make checks payable to
Maple Rapids Grass Kickers.

2010 Racing Schedule

May

2nd Test & Tune
